OUR TITLE SPONSOR

COMMISSIONAIRES

Message from Commodore Michel Charron (Ret'd), Chief Executive Officer
Commissionaires Ottawa

For the third year in a row, Commissionaires Ottawa is excited to be the title sponsor of PGA TOUR America's pro golf tournament held at the beautiful Eagle Creek Golf Club in Dunrobin, Ontario. I want to extend a warm welcome to all pro participants, spectators, organizers, fellow sponsors, and volunteers.

Nationally, Commissionaires is Canada's largest, private-sector employer of veterans and Canada's only national, not-for-profit security organization. Beyond providing meaningful career opportunities to veterans and their families, Commissionaires' social purpose extends to giving back to military and RCMP community causes—such as through advocacy and awareness campaigns, research and surveys, veteran task forces, donations, and volunteerism.

A primary reason we jumped at the opportunity to sponsor this golf tournament is because proceeds from the Commissionaires Ottawa Open will benefit Soldier On, a Canadian Armed Forces program that contributes to the recovery of ill and injured CAF members and veterans. Soldier On distinguishes itself by delivering opportunities and resources through sport, recreational and creative activities.

As we gather and welcome veterans as both Pro-Am participants and avid spectators of the Commissionaires Ottawa Open this year, it is such a good fit for Commissionaires to align with PGA TOUR Americas to support the courageous women and men who have served our country, and their families, as they adapt, overcome and quite literally “soldier on.”

The Ottawa region is getting a great boost once again this summer with such a prestigious, world class sporting event. We hope you enjoy the tournament!

This special event is dedicated in memory of Fraser Sutherland — a true friend, a generous spirit, and a pillar of our community. Fraser's support for the Commissionaires Ottawa Open and his deep commitment to community engagement left a lasting mark on all who knew him.

With a strong connection to the military through his father's service, Fraser was especially passionate about making a difference in the lives of military members in need. His love for this tournament, his enthusiasm, and his drive to bring people together are celebrated here — through the joy, connection, and passion he inspired in us all.

PGA TOUR AMERICAS

With the second season of PGA TOUR Americas underway, we are thrilled to welcome our fans to watch the future stars of the PGA TOUR.

Our players have come from a variety of backgrounds to get where they are now, but they all share the same goal: to earn their Korn Ferry Tour card, and eventually their PGA TOUR card. Cards will be awarded to the top 10 players in the Fortinet Cup season-long points list, meaning every tournament, round and shot could be the difference in earning Korn Ferry Tour membership.

On top of showcasing the talents of our players, our priority is to provide PGA TOUR Americas members and fans with a world class experience, inside and outside the ropes. Inside the ropes, the competition and course layouts will replicate what players will see at the next level on the Korn Ferry Tour. Outside the ropes, tournaments are committed to making an impact in the communities where they play.

Since 2013, PGA TOUR Americas tournaments have raised over \$6 million for various charities. Our tournaments are committed to making an impact in their local communities, and delivering a positive, memorable experience for the fans who come out to support our players.

On behalf of all our tournaments and staff, I want to wish you all the best in your PGA TOUR Americas experience. If there is anything you need from myself or our staff, we are here to support you in any way we can to make your time on-site memorable.
